SUMMARY

Self-motivated and responsible professional with exceptional skill level and experience in Visual design & Web development.

Highly adept with various design programs and have knowledge around software development workflow particularly front-end technologies. Would love to taking new experience as lifelong learner.

EXPERIENCE

■ Freelancer from 2015 until now

Working freelance as both **Graphic Designer & Web developer** to fulfill client needs, usually SMEs business which like company profile websites, digital invitations, logo branding, product packaging, label design, promotional banner, etc.

■ Content Creator at Mahija Project

Around **2021**, Working in Digital Marketing team to handle social media accounts

■ Graphic Designer & Web Developer at Vexia Pictures

Around **2020**, Working effectively with Marketing staff to create promotional stuff & brand awareness. Also i am developed a websites for digital wedding invitation (wordpress based).

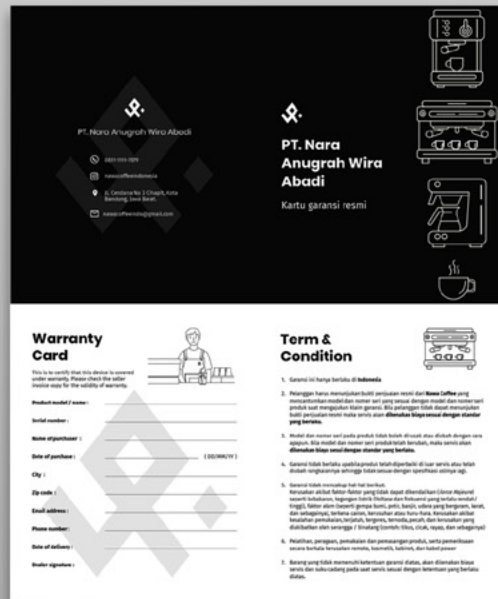

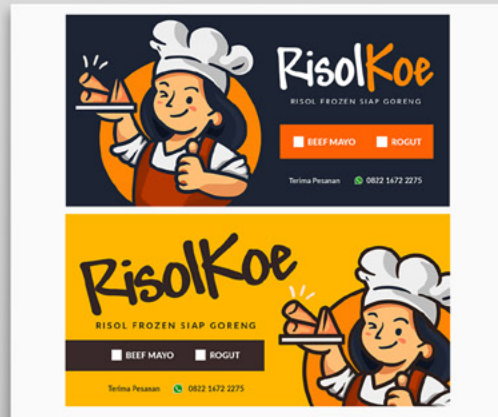

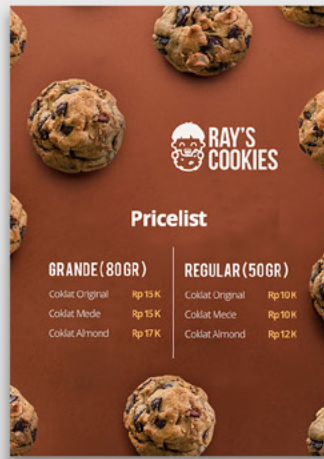

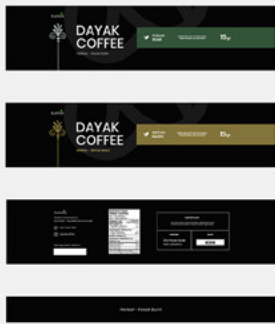

■ Remote Editor at Rana Creative

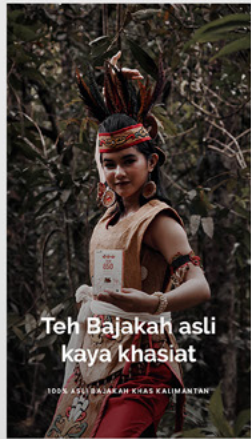

Work remotely for Rana around **2018 – 2020**, I used to work on wedding album magazine project.
(Photo Editing & Album Layouting)

A central graphic featuring the word "PORTFOLIO" in large, white, sans-serif capital letters. The text is set against a dark background with green foliage visible on the left and right sides. A white bracket is positioned to the left of the text, and another white bracket is positioned to the right of the text.
